25X1 7. [ ] Advised by Martin Kramer, Bureau of the Budget, that the Bureau has problems on certain of the reports from agencies concerning S. 2726, a bill to provide for the establishment of a Citizen's council for the Spread of Freedom. They have no problem with regard to the proposed report from this Agency. There has been no pressure on this matter and no date is available at this time as to the release of the reports.

25X1 8. [ ] In response to a request from a Mr. Fletcher, in the office of Representative Watkins M. Abbott, concerning the status of the application of [ ] advised Mr. Fletcher that [ ] application is in process and is being considered for the position of Intelligence Analyst, RI at a GS-5 salary level. Notification should go out to [ ] to this effect during next week but security clearance processes would require probably another 120 days.

25X1 9. [ ] [ ] advised that Senator Gordon Allott had contacted the Director's office asking for a briefing on the Brazilian situation. Allott particularly mentioned his interest in oil shale. Subsequently, arrangements were made for [ ] of OCI and John Warner to meet with Senator Allott and his Legislative Assistant, N. Boyd Ecker. After some discussion it was clear that the Senator knew considerable about the shale situation in Brazil which was beyond [ ] ability to expand on in detail. Also, the Senator was really directing some of his questions to the policy in the Government in assisting Brazil in developing shale. However, we agreed to develop further information on this subject and to contact him in a few days.

25X1 10. [ ] Mr. Cannon in the Bureau of the Budget advised that he had talked with Justice on the Pinkerton Detective Agency bill and was aware that DOD was now concerned with this matter. He referred to a new version of the bill as a committee print. I indicated that we would continue to work with Justice on the specific language but we thought we could work our problems out, although there did appear to be a general Government problem with several agencies having some concern. We will keep in touch on this.

25X1 11. [ ] [ ] advised that Senator Smathers' office had been in touch with the Director's office on two matters. First, Senator Smathers requested that the Director see Sheriff
